

SAFANSOUND

 **Cullen**
ECO-FRIENDLY PACKAGING

From **Cullen**, a combination of a moulded pulp internal fitment and a corrugated cardboard outer carton to provide the safest and most versatile transportation pack for bottles.

The ideal solution for corporate gifts, home deliveries and e-commerce sales.

- **Versatile:** Suitable for various bottles.
- **Safe:** Ensure total protection against any damage during transit.
- **Eco-friendly:** Made only of recycled materials, recyclable & compostable
- **Convenient:** Comes as a flat pack and ready in seconds - no assembly required
- **High Quality:** Sturdy and reliable
- **Crash lock glued base** for quick assembly
- **Made in the UK**
